How to Become an Effective Problem Solver

June 18, 2009

12:00pm - 1:30pm EST (9:00am PST)

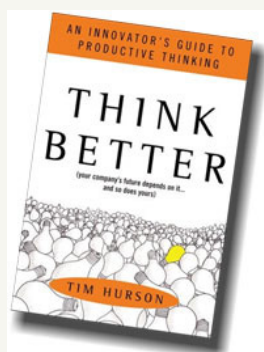

[OVERVIEW](#) | [AGENDA](#) | [SPEAKER](#) | [EXPRESS YOUR INTEREST](#)

SPEAKER

Tim Hurson

Author of "Think Better" (Mcgraw Hill, NY), named one of the **Ten Best Business Books of 2008** by the Globe & Mail; Tim Hurson is an international pioneer in developing and presenting the principles of productive thinking. He has worked, lectured, and coached clients in 29 countries on six continents. He has spent over 30 years transforming products, workplaces and marketing programs. Now he helps to transform minds and companies. He believes that productive thinking is among the most powerful assets businesses and individuals can develop.

Through speeches, writing, and seminars, Tim helps people unlock their creative intellect and sharpen their problem-solving skills. He shows how productive thinking and creative leadership can foster positive working environments that promote personal, professional, and organizational success. Tim studied Philosophy and Literature at Oberlin College, OH, and was a founding partner of Canada's premier social marketing firm, Manifest Communications Inc., where he served as Creative Director for 15 years. Interviewed by major print and broadcast media organizations throughout the world, Tim is a regular presenter and Professional Member of the International Federation of Professional Speakers.
