INCORRECT OR MISLEADING INFORMATION

If information is revealed to be inaccurate or misleading, before or after election, then the application is liable to be rejected. Furthermore, if you are currently a Graduate, such misleading information may lead to disciplinary action under the By-laws.

RELEVANT EXPERIENCE

Relevant experiences can be obtained in one or more organizations and in any type of organization. Some of the major relevant work areas include: general management and administration, accounting and finance in a management position, company secretarial and legal work, pensions, insurance, information systems management and committee administration.

Two specific points to note are:

1. Teaching of ICSA-related or otherwise approved subjects may be considered relevant. However, primary or secondary school teaching is generally not.
2. An applicant whose work is not considered entirely relevant, but contains an element of administrative responsibility, may have this proportion of their time counted, on a pro rata basis. The employer should be asked to provide a letter certifying the percentage of the applicant's time spent on such duties. However, in such cases, either:
 - a. at least one third of the required period of work experience must be spent in an administrative post; or
 - b. the applicant must be holding an administrative post at the time of application.

Applicants must submit an organizational chart showing their position within the company. A detailed description of the company, including number of employees and annual earnings, must also be provided as characterized below:

- Size 1 undertaking is a corporation with annual sales of less than \$10 million with employees of less than 100, concentrated in one location. For public authorities, an annual budget of less than \$20 million should be substituted for the sales figure.
- Size 2 undertaking is a corporation with annual sales of up to \$50 million with up to 500 employees, concentrated in more than one location. The public service equivalency is a budget of between \$20 million and \$100 million.
- Size 3 undertaking is a corporation with annual sales of up to \$500 million with up to 5,000 employees, concentrated in more than one location. The public service equivalency is \$1 billion.
- Size 4 undertaking is anything in excess of the foregoing.

LIST OF RECENT POSITIONS HELD

1. Applicants are required to provide a FULL CAREER RECORD (completing this on additional sheets if necessary). This should cover the period from leaving school until the present, including accounting for any gaps. A detailed resume/curriculum vitae must also accompany the application.
2. Signatures from one or more referees must certify a total period of employment of not less than six years.
3. If as an alternative to having your application form certified, you prefer to forward original reference letters from employers, please note that these must show the positions held and dates (i.e. month and year) of starting and finishing.
4. Please note the following with regard to the individual sections of this page of the form.
 - Name of organization: In the case of a holding company, a group, or subsidiary companies, it is important to specify the particular company in which you hold office.
 - Title of appointment: If the duties performed are not self-evident from the title, a brief outline of duties should be attached-
 - Dates: Month and year to be given.
